This Confiteor is followed by the kyrie, which expresses public guilt and shame for any sins against God.. The congregation sits and listens to the homily, which is different than a sermon in that it's an explanation and reflection on the Word of God read only by clergy.. Going to Mass is the only way a Catholic can fulfill the Third Commandment to keep holy the Sabbath day and the only regular opportunity to receive the Holy Eucharist.. The Gloria, a prayer or hymn of adoration of God, is followed by a prayer that addresses all three persons of the Holy Trinity, and that usually sets the tone for the rest of the prayers and Bible readings at Mass.. Some of the greetings and prayers spoken by the presider (the priest or bishop) at each Mass are also included, in order to help you understand the structure and flow of the Mass more fully. On Sundays and holy days, the homily is followed by the Profession of Faith, or Creed, which succinctly sums up all the teachings of the Church.. A qualified lector then reads the designated passages of the day Following these readings, the congregation, which has been sitting, stands while the priest or deacon reads the holy Gospel, which contain the very words and deeds of Christ and require the respect shown by standing.. The first part of the Mass in the Western (Latin) Church is the Liturgy of the Word, and its main focus is on Bible readings as an integral part of daily and weekly worship.. The second part is the Liturgy of the Eucharist, and its main focus is the holiest and most sacred part of the Mass — Holy Eucharist.. Eastern Catholics also use the two-fold division of Liturgy of the Catechumens and Liturgy of the Faithful, which coincide with the Liturgy of the Word and the Liturgy of the Eucharist.. The differences are merely from the fact that in the West, the Mass follows the tradition of the Roman liturgy, but in the East, it's the liturgical tradition of Constantinople. e828bfe731 [Cracked Mac Software Download Sites](#)
